Tyler Arcari (b. 1989) is a composer, arranger, author, and clinician whose music is played around the world. He received his B.A. and M.S. degrees in music education from Troy University where he studied with composer Ralph Ford and Euphonium under Dr. Mark J. Walker. His original works have been featured across the globe, and appear on numerous state contest lists and events such as the Midwest Clinic International Band and Orchestra Conference. As an arranger and commissioned composer, Tyler has worked with many high school, university, and community groups as well as professionals such as Carl Hilding "Doc" Severinsen and vocalist Holly Shelton. As a Clinician, Tyler regularly appears as composer-in-residence as well as guest clinician for honor bands and festivals.

Currently, Tyler serves as the Director of Music Production and Editing at Excelcia Music Publishing (LLC), Wingert-Jones Publications, Kendor Music Publishing, and RBC Publications. In his spare time, Tyler enjoys playing fantasy-world video games and building his own computers. He is an avid animal lover and lives in Lakeland with his wife Heather, their three rabbits named Marshmallow, Maximus, and Oatmeal, their peach cat named Otis, and dog named Hilda.

Shining Like the Moon

"Shining Like the Moon" is an inspiring song that explores the strength born from overcoming adversity. While the Sun is often seen as the world's center due to its brilliance, the Moon constantly rises, illuminating the dark sky. This powerful metaphor encourages your choir to discover their inner resilience and shine just as brightly as the Moon, even in the face of challenges.
