ABOUT THE ARRANGER

Tyler Arcari (b. 1989) is a composer, arranger, author, and clinician whose music is played around the world. He received his B.A. and M.S. degrees in music education from Troy University where he studied with composer Ralph Ford and Euphonium under Dr. Mark J. Walker. As a teacher, Tyler has taught at both the middle and high school levels. Tyler's primary focus when writing has been for the young musician. He became passionate about and interested in the needs of developing musicians as a classroom teacher and finds writing for musicians at this level to be very rewarding.

Tyler's music can currently be found published through Excelcia Music Publishing, Wingert-Jones Publications, Kendor Music Publishing, and Carl Fischer Music. His original works have been featured across the globe, and appear on numerous state contest lists and events such as the Midwest Clinic International Band and Orchestra Conference. As an arranger and commissioned composer, Tyler has worked with many high school, university, and community groups as well as professionals such as Carl Hilding "Doc" Severinsen and vocalist Holly Shelton. As a Clinician, Tyler regularly appears as composer- in- residence as well as guest clinician for honor bands and festivals.

Currently, Tyler serves as the Director of Music Production and Editing at Excelcia Music Publishing LLC, Wingert-Jones Publications, Kendor Music Publishing, and KBC Publications. In his spare time, Tyler enjoys playing fantasy-world video games and building his own computers. He is an avid animal lover and lives in Lakeland with his wife Heather, their three rabbits named Marshmallow, Maximus, and Oatmeal, their peach cat named Otis, and dog named Hilda.

YULESLIDE A FESTIVE TROMBONE SECTION FEATURE!

The holiday season is a time of joy, celebration, and music that brings people together. "Yuleslide" captures this festive spirit with a delightful and playful arrangement designed specifically for beginning bands. Because honestly, what brings a group of beginning musicians together faster than the collective joy that comes from copious Trombone glissandos?

The composition also includes the whimsical sound of the slide whistle, adding a touch of humor and lightheartedness. This unique feature is performed by both the wind players and Percussionists, creating a fun and interactive experience for the ensemble.

I hope you have as much fun with this festive Trombone feature as I did while writing it!
